I, Ravi Kumar, owner of the silver Maruti Suzuki Swift (registration KA 01 AB 0000, synthetic), give this statement about the accident of 2 October 2026.

At about 6:40 pm on 2 October 2026 I was driving north on Hosur Road near the Silk Board junction, Bengaluru, in moderate traffic at about 30 km/h.

The white sedan ahead of me (KA 05 XY 0000, synthetic) braked suddenly for a pedestrian. I braked but could not stop in time and the FRONT of my car struck the REAR of the sedan.

My front bumper broke and hung loose, the bonnet buckled, the radiator grille cracked and the left headlamp was smashed. No one was injured. The driver of the sedan and I exchanged details and no police report was filed.

I took the car to Sri Lakshmi Auto Works on 5 October 2026 for an estimate, and I attach photographs of the front damage.

Signed: Ravi Kumar (synthetic person), 6 October 2026
